

3rd Annual HIKE for MIKE

Sunday, June 5, 2011

5K Walk ● Family Picnic ● Field Dedication ● Baseball Game

Spec Pond Recreation Complex, 2540 Boston Road, Wilbraham, MA 01095

Chances are if you or your children played baseball in Wilbraham, you have Mike Farrell to thank for laying the foundation for the programs we have in place today. Help perpetuate Mike's legacy by contributing to the field named in his honor... **The Michael J. Farrell Field** at Spec Pond.

As many of you know, Mike Farrell passed away on August 31, 2008 at the age of 52. Mike was a successful businessman, college professor, husband, father, great friend, and generous man. Whether you knew him or not, one thing you should know about Mike Farrell is that he loved BASEBALL!!! His *passion* was baseball! He played and coached little league, high school, college, Legion and Tri-County. His goal was to create for the town of Wilbraham and later, Hampden, a solid core of ball players who would continue to play the game he loved from youth, high school, college, and beyond.

The Friends of Mike Farrell invite you to celebrate his life and keep his memory alive. Join us for a fun day of good friends, good food, good company, and good memories.

Highlights this year include the Field Dedication in Mike's honor, followed by the Wilbraham Funeral Home 2010 Tri-County Champions' Season Opener!!!
